Canada Records 51 Fatalities During Weekend

By THE CANADIAN PRESS

At least 51 persons were killed in accidents in Canada during the weekend, 39 in traffic.

A Canadian Press survey from 6 p.m. Friday to midnight Sunday night, local times, also showed four persons drowned, one burned to death and eight died in other accidents.

Ontario had 16 accidental deaths. Ten persons were killed in traffic, two drowned, one struck his head while roller skating, one man was crushed to death when a car he was working on rolled off its props and two persons died of carbon monoxide poisoning.

Quebec reported 15 fatalities—13 in traffic and two drownings.

Three persons were killed on roads in Newfoundland and two in other accidents. Alberta also had five deaths—four in traffic and one suffocation.

In Saskatchewan, three persons were killed in traffic and one in a fire.

British Columbia had four traffic deaths.

New Brunswick had one traffic death and Nova Scotia reported one in a miscellaneous accident. Manitoba recorded no accidental deaths.

At least four persons died in British Columbia as a result of accidents during the weekend, all in traffic mishaps.

Spencer Mark Boye, 22, of Powell River was killed Saturday when his car hit a utility pole in Powell River.

A Canadian Forces officer, Lieut. Lionel Joseph Trudeau, 35, of Summerside, P.E.I., was killed Friday night when his car rolled over on the Cullis Lake Road about 60 miles east of Vancouver.

Allan Wilson of Williams Lake was killed Saturday in a two-car collision on the Trans-Canada Highway near Spences Bridge.

Michael David Gullison, 18, of Merritt, died Friday night when his car left Highway 8 near his home and rolled down an embankment.

'Quake Reported Centred In Southwest Los Angeles

LOS ANGELES (CP) — An earthquake of 3.2 magnitude on the open-ended Richter scale, "centred" somewhere in the southwest Los Angeles Area, was recorded at 4:57 a.m. today, the California Institute of Technology seismology laboratory said.

The Beverly Hills police department reported receiving several calls but police departments in downtown Los Angeles and Inglewood said they had no calls.

No damage was reported.

Three tremors shook southern California Saturday, the strongest registering between 4.5 and 5 on the Richter scale.

An undersea quake 20 miles off the coast here jostled several northern California communities Sunday.

Measured at 5.5 on the Richter scale by the University of California seismograph at Berkeley, the shock hit Eureka as a rolling motion that lasted half a minute but did no reported damage.

The main quake Saturday swayed tall buildings in Los Angeles and San Diego, about 120 miles apart. It also was felt in Mojave, 80 miles north of Los Angeles, Barstow, 100 miles northeast, and Indio, 120 miles southeast. Windows were shattered in some buildings but no major damage was reported.

Forest rangers reported rockslides and broken telephone lines in the San Gabriel and San Bernardino mountains, near the centre of the quake.

A jump of a whole number on the Richter scale represents a 10-fold increase in intensity at the quake's point of origin. The 1906 San Francisco quake registered 8.3 and the 1964 Alaska quake 8.4.

TOKYO (Reuters) — A fairly strong earth tremor shook the northern half of Japan today but there were no immediate reports of damage.

The meteorological agency said the quake's epicentre was located about 25 miles underground off Iwate prefecture in northern Japan.

21-Year-Old Texas Beauty Is Named 'Miss America'

ATLANTIC CITY, N.J. (AP)

The new Miss America, 21, says she believes 95 per cent of the country's youth are wholesome lot.

Phyllis George, 21, of Denton, Tex., says she believes 95 per cent of the country's youth are "on a straight line and only five per cent are involved with drugs and violence."

Asked what her message to youth would be, she said: "I have learned that the way to get something done is not through violence."

The brown-eyed brunette, crowned Saturday night, receives a \$100,000 scholarship for winning. She was a junior majoring in elementary education and speech at North Texas State University in her home town during the last school term.

Miss George, who has a 36-23-36 figure, hopes for a career in broadcasting. Her talent presentation at the pageant was a piano solo of Rain Drops Keep Fallin' On My Head.

Miss George has had professional experience doing television commercials, promotional motion pictures and modelling.

Other finalists in the competition were Miss South Carolina, Claudia Turner, first runner-up; Miss Maine, Karen Johnson, second runner-up; Miss Mississippi, Christine McClamroch, third runner-up; and Miss Pennsylvania, Margaret Walker, fourth runner-up.

Miss George can expect to earn an estimated \$100,000 in fees for personal appearances, advertisement and other duties.

Three Eastern GM Plants Are Hit By Wildcat Strikes

OSHAWA, Ont. (CP) — Wildcat strikes hit three General Motors of Canada plants today, 18 hours before an official strike was to be called at GM plants in the United States and Canada.

Members of the United Auto Workers union failed to report for work at the assembly plant here, the trim plant in Windsor, Ont., and the GM plant at St. Therese, Que.

GM plants at Toronto, London, Ont., and St. Catharines, Ont., were reported operating normally, although union spokesmen indicated the men could leave their jobs at any time.

The six GM plants employ about half the 47,000 UAW workers at Big Three plants in Canada.

The two GM plants here form the largest company operation in this country, employing about 15,000 men on car and truck assembly at the South Plant and parts manufacturing at the North Plant.

The North Plant was still operating today with about 900 men on the job. The assembly plant was closed after the 4,500 men on the day shift refused to cross picket lines.

Ted O'Connor, acting president of UAW Local 222, said the union was trying to persuade the men to return to work. Mr. O'Connor had been unsuccessful in trying to end a wildcat walk-out at the assembly plant Friday night. That walkout had prompted the company to close the plant during the weekend.

Israel's Charge Includes Russia

TEL AVIV (Reuters) — Israel today accused Egypt, and by implication the Soviet Union, of advancing sophisticated SAM-3 surface-to-air missile batteries to within 19 miles of the Suez Canal.

Israel alleges that this is the closest that SAM-3 missiles, said to be manned exclusively by Soviet personnel, have moved to the ceasefire line.

11 Perish In Blaze

LOS ANGELES (AP) — At least 11 persons were killed when an old hotel was destroyed by fire in the pre-dawn hours Sunday. At least 25 were injured, some as they leaped from windows of the four-storey building.

As firemen continued picking through the rubble today, they said 22 persons were unaccounted for. Many of them may have left the scene unharmed without telling anybody, officials said.

"I could hear bodies hitting the ground all around me," Fire Capt. James Williams said.

The fire raged from the lobby to the top floor of the 60-year-old Ponet Square Hotel.

Few among the 90 persons in the hotel escaped with more than the clothes they were wearing.

Only the yellow brick exterior walls of the building were left standing with portions of wooden flooring. Damage was put at \$250,000.

UNITED NATIONS (Reuters) — United Nations Secretary-General U Thant called today for summit talks on the Middle East crisis when the UN General Assembly opens next month.

Predicting that the largest gathering of world leaders in history will attend the assembly, he said this will be "a unique opportunity for fruitful contacts and discussions at the highest level."

World leaders will be in New York to commemorate the 25th anniversary Oct. 24 of the ratification of the UN charter.

Thant proposed talks on specific crisis areas, such as the Middle East, in his annual report to the assembly.

Calling the breakdown of the peace talks, begun last month under the auspices of UN envoy Gunnar V. Jarring "alarming and deplorable," Thant said every possible effort must be made to bring about their resumption.

"We must, I feel, persevere in this effort, because I am convinced that this is probably the one chance of a breakthrough to peace in the Middle East," Thant said.

"Only when the talks get

Mid-East Talks Urged By Thant

under way and the parties begin to deal with substance will it become clear whether they are prepared, in the interests of peace, to accept those compromises, and even to take what they believe to be those risks to their vital interests, which are the inescapable price for a peaceful settlement."

Federal Chancellor Karl Huber of Switzerland said the four countries are sticking to their insistence on a "global solution."

'Copter Searches For Four Youths

BELLA BELLA, B.C. (CP) — A Canadian Coast Guard helicopter today joined police in the search for four young boys missing in a small boat in the Bella Bella area, about 200 miles northwest of Vancouver.

Search and rescue officials said the boys, aged five, six, nine and 14, were reported missing Saturday after leaving the tiny community in a 12-foot boat last Thursday.

Their names were not released.

BULLETIN

MUNICH, West Germany (AP) — A Romanian airliner bound for Prague was hijacked today and landed safely at Munich's Riem Airport, a spokesman said. First reports said there were "several" passengers aboard.

The spokesman said police took the hijackers into custody.

PONDER B.C. DEMANDS

OTTAWA (CP) — With some eye-catching British Columbia demands to ponder, all 10 provincial premiers and Prime Minister Trudeau open a three-day conference today to grapple with the country's constitutional and financial future.

Premier W. A. C. Bennett took the offensive early with conference proposals for more federal money for B.C. and more provincial say in jurisdiction over major financial institutions.

His paramount point was for a \$500 million annual "compensating grant" to accommodate his province's special economic position, National tariff policy, rather than benefitting B.C. works against it he said.

Moreover, B.C. must absorb

large numbers of immigrants from other provinces imposing extra welfare and other demands on the provincial economy. He also sought a ban on foreign immigration, except for special cases, when national unemployment figures rise past four per cent of the work force. It is over that now.

The Bennett critique included a proposal to permit provincial governments to name members to the governing board of the Bank of Canada and to a national council which he wants established to exert legislative jurisdiction over chartered banks and other major financial institutions.

He wants equal partnership with the federal government in these areas.

There's no indication yet how

the Bennett broadside will go down with the country's other principal leaders, including Quebec Premier Robert Bourassa, who has some proposals of his own for this important federal-provincial conference. They were to be released today.

It is thought he may unearth an earlier proposal for a federal fund to soften the impact of national restraint policies on slow-growing provinces such as his own.

The Bennett proposals, particularly on banking, may receive some federal competition when Mr. Trudeau outlines his thinking on the division of powers between the federal and provincial levels of government on finance and banking and on pollution control.

HIJACK SCENE

U.S. Hostages To Be Treated Same As Others

AMMAN, Jordan (AP) — American hostages held by the Palestinian Arab guerrillas will be treated as Israelis and detained until Israel accepts the principle of exchanging its Palestinian prisoners, a top guerrilla spokesman said today.

The spokesman for the Popular Front for the Liberation of Palestine told correspondents: "It is the principle of Israeli acceptance that counts."

Out of about 55 hostages held by the guerrillas, 37 are believed to be Americans or Israelis.

Informed sources said they

have information that 30 hold U.S. passports.

The Americans include crew members of the bombed-out Trans World Airlines jetliner and a soldier who describes himself as a Vietnam combat veteran.

TEL AVIV (Reuters) — Israel today released 70 of the 450 Arabs rounded up in a mass sweep throughout the Israeli-occupied territories during the weekend, Israel radio reported.

Usually well-informed sources had said the Arabs might be being held as counter-hostages.

He said they have been detained as part of a security investigation into Popular Front activities in Israeli-held areas.

(The Israeli radio later announced the release of 70 of the 450.)

The foreign minister implied that Israel would not pass its request to Britain to extradite one of these guerrillas, Miss Leila Khaled, captured after an abortive attempt to hijack an Israeli El Al Boeing 707—her release was part of a deal to bring about the release of all the hijacked passengers.

"If Khaled would be used as an element for bringing about the total release this would weigh with Israel in not press-

ing for extradition," he said.

SEARCHERS RECOVER BODIES OF 13 MORE TYPHOON VICTIMS

CAISGURAN, Philippines (AP) — Search teams recovered the bodies of 13 more victims of Typhoon Georgia today, raising the known dead to 54 with at least 10 missing and feared lost.

The typhoon which devastated this town of 33,000 persons and two nearby coastal villages before veering out to sea three days ago packed winds of 100 miles an hour.

Georgia has begun to die out over the South China Sea about 70 miles east of Hong Kong.

Many houses, stores and public buildings—including schools and the town hall—were flattened by the storm.

Most of those killed were aboard eight small boats that had docked Thursday, but whose passengers remained on board because of heavy rains.

About 3 a.m., high winds ripped the vessels from their moorings and tossed them out into deep water where they capsized. The total number of persons aboard is not known, but officials estimate it at about 120. Only a few are known to have survived.

LONDON (AP) — Two West Indian brothers went on trial today charged with murdering the wife of a wealthy British newspaper executive by mistake.

A jury was told they "snatched" and killed the wrong woman.

Arthur Hosein, 33, and his 21-year-old brother Nizomdeen pleaded not guilty to a charge of kidnapping and murdering Muriel McKay, 55-year-old wife of Alick McKay, deputy chairman of The News of the World.

They were also accused of demanding one million pounds ransom after she disappeared over the Christmas-New Year's holiday. Her body has not been found.

Attorney-General Sir Peter Rawlinson told a jury of nine men and three women that the "real victim" of the crime was the wife of McKay's multi-millionaire boss, Rupert Murdoch.

The Popular Front for the Liberation of Palestine is holding 55 citizens of Israel, the United States, Switzerland, West Germany and Britain as hostages for the release of Arab guerrillas imprisoned in those countries.

Japan's First World Fair Sets Record Attendance

OSAKA (CP) — The strains of Auld Lang Syne—heard here each night at closing time for the last six months—Sunday sounded the end of the Orient's first world fair. Expo '70 had a wildly successful run and counted a record 64.5 million visitors.

Crown Prince Akihito of Japan officially drew the curtain on this \$2,000 million extravaganza at 10:27 a.m. during a colorful one-hour ceremony in vast Festival Plaza where often-varied pageantry was staged by participating nations. There under the world's largest transparent roof near the world's largest moving sidewalk, thousands of people of many lands—some freshened by the world's largest air conditioner—bid sayonara to Expo '70.

With a mixture of regret and relief, temple bells pealed in the clear, warm air and flags were lowered, a poem was recited and a symbolic cherry tree planted, gun salutes roared and

Towboat Talks On Once More

VANCOUVER (CP) — Talks are scheduled to continue later this week between officials of two unions and representatives of the British Columbia Towboat Owners Association attempting to head off another strike in the vital industry.

Federal conciliation officer Don Tysoe said Sunday he was optimistic a settlement would be reached in the talks, to be held Wednesday or Thursday, between the association and the Seafarers' International Union and the Canadian Brotherhood of Railway, Transport and General Workers, seamen's local.

WOMEN, CHILDREN WORRIED LEILA

NEW YORK (AP) — Leila Khaled, 26, the Arab guerrilla jailed in London after an unsuccessful attempt to hijack an El Al jetliner last week, says in the current Life magazine that she feared for women and children aboard the airliner she hijacked a year ago but knowledge of the plight of Palestinian children spurred her on.

"I noticed an American lady with four children who seemed very happy and excited about their trip," Miss Khaled was quoted as saying in an article from a book by Godfrey Janson to be published this fall.

"I then realized with a shock that something dreadful could happen to them if anything went wrong," she said. "I love children and I wanted to tell the lady not to go on this flight. But when I thought of some of our Palestinian children, who have had nothing in life, I felt a bit stronger and braver."

The article said the Aug. 29, 1969, hijack of a Trans World Airlines Rome-Athens-Tel Aviv flight had been planned to capture a former Israeli chief of staff, Maj.-Gen. Itzhak Rabin. Rabin changed his plans and was not aboard the airliner, which Miss Khaled and a confederate ordered to fly to Damascus.

Cambodia Hits At Blockade By Communists

PHNOM PENH (CP) — Bitter fighting raged between a Cambodian force and an estimated 500 Viet Cong and North Vietnamese today—leaving the first major government thrust of the war stalled in a shell-torn hamlet.

A military spokesman said the fighting, which erupted in the hamlet of Taing Kauk Sunday, continued this morning. He said Communist battalions hurled themselves against a Communist blockade on the road to the beleaguered provincial capital of Kompong Thom.

The military spokesman, Maj. Am Rong, said Communist troops counter-attacked early today after being pushed to the outskirts of the hamlet, and were driven back again after heavy house-to-house fighting.

Taung Kauk is 35 miles south of Kompong Thom, the objective of the Cambodian force which began the first big government push of the war Sept. 7.

The South Vietnamese military command reported a clash with guerrillas Sunday in the Fish Hook area near the Cambodian town of Khek, 10 miles from the South Vietnamese border.

In South Vietnam, government forces fought an hour-long battle with North Vietnamese troops Sunday around the beleaguered O'Reilly artillery base in northern Thua Thien province, a government spokesman said.

Hijack Scare Delays Plane

LISBON (AP) — A hijacking scare resulted in 215 passengers on a Montreal-bound Canadian Pacific Airlines DC-8 leaving Lisbon four hours behind schedule Sunday night after a Portuguese man said he wanted to get off just as the airliner was due to take off.

As the captain of the Madrid-Lisbon-Vancouver flight warmed up the engines, Alvaro Goncalves Martins, 47, cried out: "I am not going because I don't like travelling on these things."

Fearful of a hijack attempt, the pilot stopped the engines. Airport police boarded the aircraft and led Martins, a Portuguese living in Vancouver, away for questioning.

Officials searched Martins' baggage but found nothing suspicious. The plane took off minus Martins, who elected to stay in Lisbon. His wife who was travelling with him and another passenger who went for a walk during the baggage search also missed the flight.

AROUND B.C. IN BRIEF

Two Hospitals Authorized To Let Building Contracts

VICTORIA (CP) — The British Columbia government has authorized Shuswap Lake General Hospital and Golden and District General Hospital to award contracts for expansion and renovation projects, subject to the approval of the Columbia-Shuswap regional hospital district.

DISTRICTS MERGE
VICTORIA (CP) — The Nanaimo and Courtenay ranger districts will be absorbed by neighboring districts in a move by the British Columbia forest service to produce economy and greater efficiency in service. The southern half of the Nanaimo district will be absorbed by the Duncan district, and the northern half by Parksville district. Courtenay will be divided between Parksville and Campbell River districts.

APPEAL LAUNCHED
VANCOUVER (CP) — The United Fishermen and Allied Workers Union has launched an appeal against a \$107,000 Supreme Court damage award, the result of a Supreme Court decision that the union and 10 individuals had procured breaches of contract between several fishing firms during a strike in 1967. The suit was launched by the owners of eight vessels which dumped 300,000 pounds of fish that had rotted in the holds because shore workers failed to unload the boats.

CONTRACT ACCEPTED
VANCOUVER (CP) — About 200 members of the piling division of the International Union of Operating Engineers have voted 70 per cent to accept a new two-year contract with the Construction Labor Relations Association, giving them an increase of \$1.39 an hour.

Timothy Leary Has Escaped From Prison

SAN LUIS OBISPO, Calif. (AP) — Timothy Leary, the former Harvard psychology instructor who became a guru to the drug culture, has escaped from prison.

The only clue authorities had today was Leary's blue denim prison clothes, found in a service station rest-room a few miles away.

Leary had been at the California Men's Colony, 200 miles north of Los Angeles, since shortly after being sentenced March 16 to a six-month-to-10-year prison term on a marijuana possession conviction.

He was last seen by prison authorities two hours before a midnight bed check Saturday.

TWO SENTENCED
PRINCE GEORGE (CP) — Stanley Michael Bachinski, 20, and Wednell Peter Bergman, 21, were each sentenced to one year definite and 18 months indeterminate Friday for taking \$700 from a Prince George service station attendant in May after threatening him with a knife.

FERRY TAKES OVER
CHILLIWACK (CP) — Ferry service was to begin today for foot passengers crossing the Fraser River at Mission where the combined CP Rail and highway bridge was heavily damaged by fire last week. A department of highways spokesman said the service will operate until the burned wooden bridge decking is repaired.

PADDLEATHON ENDS
NEW WESTMINSTER (CP) — A miles-for-millions paddleathon ended here Sunday with 50 of the 63 canoes that left Hope Saturday finishing the 85-mile trip. Money raised through pledges will be donated to the Boy Scouts. The total will not be known for several days.

Kinsmen Club Success Reviewed By Governor

The success of the Kelowna Kinsmen Club "will depend on all of you," Eric Hornby, deputy governor of the Kinsmen Okanagan-Mainline zone, told local members of the organization at its 1970-71 installation night at the Capri Saturday.

Speaking to Kinsmen and Kinettes at the annual banquet, the guest speaker said success of the clubs "can get higher with increased enthusiasm and regular attendance," as well as support of newly installed executive members whose accepted responsibilities, he felt confident, "would not be taken lightly." He told newly installed Kinsmen and Kinette executives they had the "opportunity to be the real strength of the club" and "that challenge lies before you in taking on the responsibilities of executive positions." He also urged them to participate in club affairs, both as elected officials and as individuals.

SINGLED OUT

For personal accolades, Mr. Hornby singled out James Watson, whom he described as having done "an outstanding job for the club," which reflected the "true and dedicated soul of our club." Mr. Watson, the newly installed bulletin editor, was also presented with the Haddad Merit Trophy as Kinsman of the year, at special ceremonies during the informal program. The presentation was

made by Victor Haddad. Mr. Watson was also the recipient of a five-year perfect attendance pin from Lloyd Schmidt. Acknowledging the beginning of "another Kin year," the guest speaker alluded to the 50th anniversary of the organization, which he said could now be described in terms of "50 plus one" instead of the conventional 1970-71 designation.

Continuing the plaudits as a head table guest, Mayor Hilbert Roth said it was a "well known fact Kinsmen are the biggest service club in the city," and "most citizens are aware of the fine work you have done in the community." He also extended his "personal thanks" for work done by the organization relative to the proposed indoor swimming pool, a project local Kinsmen have been spearheading since 1968. Acknowledging the "great work done" by the organization in promotion of the pool, Mayor Roth said there was "a great deal more to be done," but he was confident the facility would "become a reality in the not too distant future." In congratulating the new executive, which he was sure would "carry on in the best traditions of the club," Mayor Roth pledged his "full support" in the future.

Stressing the Kinsmen "image," newly installed president,

James Lidster, who succeeded Raymond Busch in the key post, discounted the expressed belief that Canadian Kinsmen were "afraid" to promote their organization outside of their own country. "Canadians are not afraid to leave the country and attend meetings to carry on the fact of Canada and Kinsmen," he said, urging members to "go forth and promote Kinsmen wherever you may be."

"Our accomplishment in community service work have allowed the citizens of our community to hold a high regard for our club," outgoing president Busch told members in a review of the past year's activities.

EVENT HIGHLIGHTS

Describing some Kinsmen activities and accomplishments during the past year, Mr. Busch said \$20,367 had been raised as assistance to other community work, with \$22,768 donated to the organization in aid of various other projects, including \$11,060 to the Mothers' March, \$8,000 toward the swimming pool fund and \$25 to the Kelowna Hi-Steppers baton group. In addition, Kinsmen delivered 21 Christmas hampers and held an underprivileged party for 80 needy children before Christmas.

"All these projects making our community a better place to live," added Mr. Busch.

Concluding his remarks, he gave "special thanks" to outgoing Kinette president, Mrs. Percy Tinker and members of her organization for "assistance which was most appreciated on our projects." He also praised members of his own executive for their "support, enthusiasm and guidance which has made our club the finest in zone, district and our association, for which you should be justly proud."

As the new Kinette president succeeding Mrs. Percy Tinker, Mrs. Ernest Day told members of her group there would be "no new format" and she hoped to "carry on in the same high standards" set by the past president.

Saturday Busy Sunday Quiet

The Kelowna Fire Brigade spent a relatively busy Saturday answering two fire calls, one false alarm, four routine ambulance and one accident emergency.

Overheated ballast in a fluorescent light fixture at the main post office building on Bernard Avenue caused some concern at 11:08 a.m. The unit was called again at 9:42 p.m., Saturday to check an overloaded electrical circuit at the Royal Canadian Legion, Kelowna branch 26, 1633 Ellis St. No damage was reported in either instance.

One person was brought to Kelowna General Hospital after an accident at Paret and DeHart Roads at 5:30 p.m. There were no calls Sunday.

Variety Of Guests Arranged

Activities for the Canadian Club of Kelowna resume Sept. 23 at the Capri Hotel, with a discussion of Canada's North.

Club president Peter Ritchie said Roy Minter, assistant to the president of the White Pass and Yukon Railway, will open the year's events by discussing Yukon development.

Second speaker on the list will be Sen. J. Harper Prowse, who will discuss Louis Riel and the judgment of history.

Third speaker, Christain de Laet, secretary-general of the Canadian council of resource ministers, will discuss Canada's pollution problem.

G. B. McClellan, Alberta's ombudsman, will discuss his job in April.

Mr. Ritchie said at least two other speakers would meet club members in February and March. Further details will be announced later.

No Word On Talks

No word was forthcoming again today from talks between labor and management in the Southern Interior forest industry dispute.

Based in Vancouver, the talks, with mediator Olive McKee, are a last ditch effort to avert a strike by the 4,000 member Southern Interior locals of the International Woodworkers of America.

The Interior Forest Labor Relations Association is bargaining for 40 employers involved in the dispute.

Thieves Get \$300 Loot

Two breaking and entering incidents during the weekend are under investigation by the Kelowna detachment RCMP.

Police said the Carruthers and Melkie building on Bernard Avenue was entered some time during the weekend and an estimated \$300 taken from the offices of William Baker.

An attempt was made to open the safe of the Kelowna Golf and Country Club about 4 a.m. today but the culprits were disturbed by the caretaker and fled.

Some Sun With Cloud

Skies should be mostly sunny over the Central Okanagan Tuesday.

Skies should be mostly cloudy today, with a few showers. Temperatures should be warmer.

Saturday's temperatures were 59 and 27, while Sunday's temperatures were 63 and 35. No precipitation was recorded either day.

Record Group Coming

The largest provincial engineers convention in the 50 year history of the association will convene in Kelowna Sept. 25.

Approximately 400 professional engineers and wives will attend business sessions, industrial tours and special entertainment features.

Guest speaker for the Saturday luncheon will be Dr. Nathan J. Divinsky, assistant dean, faculty of science and professor of mathematics, University of British Columbia.

In addition to local entertainers Ian Middel, Johnny Deschner and Red Hughes, the convention will feature the Serenaders from Trail and the Phoenix Copper Brass from Grand Forks, led by professional engineer John Jewitt.

The public will be welcome to view numerous engineering construction models on display in the lobby of the convention headquarters at Capri.

Bush Safety Films' Topic

The Kelowna Fish and Game Club and the Kelowna Search and Rescue unit will sponsor a sportsman's show Tuesday in the Community Theatre at 8 p.m.

Three films will be shown, one about slow motion effects of a bullet; another about a trigger-happy hunter; and a third on hunting.

Following the films there will be a search and rescue demonstration about survival in the woods.

SEEN and HEARD

Mr. and Mrs. Miles Stanton and family had a weekend visitor that really got his point across. When the family dog started to fuss the Stantons investigated their back yard and found a great, fat porcupine waddling about, helping himself to garden vegetables. After finding the porcupine was completely unafraid of either people or dogs, the Stantons took the advice of an SPCA officer and left the visitor to go on his own way eventually.

After unseasonably cold weather last week, especially in the 6 to 8 a.m. period, many people were taking no chances today. Several cars were seen with papers, cardboard or blankets fastened over front and rear windows, protecting against frost which didn't come.

A short course on how to apply for a job, co-sponsored by Canada Manpower and Adult Education Division, was to have been held tonight at Kelowna Secondary School. However, due to a slight problem, namely printed material from Ottawa, which has still to arrive, the course will be held Oct. 19, the date for which the second course was to have been scheduled.

The rush of tourist traffic seems to be lingering a bit longer than usual on Highway 97. Traffic between Kelowna and Vernon Sunday was heavier than usual for this time of year and RCMP accident reports still list several out-of-town drivers in accidents. Usually when the major tourist season ends the accident reports list mostly local drivers but places such as Fort St. John, Vancouver, Burnaby and Edmonton still appear regularly.

Beyers missed a Sept. 10 preliminary hearing date and was re-scheduled to appear today.

In other court activity a Long Island, N.Y. girl was fined \$100 when she pleaded guilty to

Hazard Down But Costs Up

No fires were reported in the Kelowna ranger district during the weekend, and local forest officials are happy today with the low, to moderate forest fire hazard rating precipitated by continuing cool, damp weather.

The total number of fires this year since the fire season began May 1 now stands at 87, more than double the 1969 total of 41 for the same period and 27 higher than the previous record of 60 set in 1960. Although the Raymer Lake site is still under observation, there are no ranger vigils at any specific points. A local ranger spokesman said the annual slash burning program is expected to begin soon in the district and residents are asked "not to become alarmed" at any smoke indications. Open fire and campfires are now allowed in the area, but still require the formality of permits.

In the Kamloops forest district, where the hazard is listed as low to moderate, fires to date total 2,029, at a fire fighting cost of \$3,915,500. This compares with 863 blazes last year costing \$1,069,300.

Throughout the province this year, hot, dry weather skyrocketed fire fighting costs to the \$8,215,900 mark, more than \$1,000,000 higher than the previous \$7,000,000 record set in 1967. Cost to the province for 2,284 fires in 1969 was \$3,107,100, almost three times less than this year's cost for the same period.

The British Columbia Forest Service reports there were 283 fires burning in the province up to Friday, with 224 blazes extinguished this week, at a cost of \$217,800. Twenty-four fires were reported this week, with 83 still burning. Fire fighting costs this week were attributed to clean-up operations, the report says, adding the fire hazard rating was "generally low" throughout the province, and all remaining fires were currently being mopped-up.

Single Motorist Injured But Not Kept In Hospital

One person was injured and an estimated \$500 damage done in a two-car crash at Paret and DeHart Roads intersection about 5:20 p.m. Saturday.

Police said the mishap involved cars driven by David Northrop, Kelowna and Frank Butlin, Calgary.

Mr. Northrop was injured but not admitted to hospital.

An estimated \$1,500 damage was done when vehicles driven by Robert Johnstone, Oliver and John Nevoks, Kelowna collided at Reids Corner about 1:45 p.m. Sunday.

A single car accident on Highway 97 near Duck Lake about 6 a.m. Sunday did an

estimated \$500 damage to a vehicle driven by David Rempel, Fort St. John and another single car crash at Harvey Avenue and Glenmore Street involving a vehicle driven by Frank Claim, Kelowna, did an estimated \$100 damage.

An accident on Highway 97 near Winfield Saturday at 10 a.m. did an estimated \$600 damage to vehicles driven by L. J. Avigdor, Vancouver and Herbert Rudolph, Edmonton.

Vehicles driven by Kenneth Burford, Burnaby and Catherine Weeks, Westbank, sustained \$275 damage when they collided at Harvey Avenue and Ethel Street about 12:30 p.m. Sunday.

Bench warrants were ordered in provincial judge's court on executed today for the arrest of two men who failed to appear charges of possession of narcotics.

Failing to appear before Angus Collinson, Vancouver, Judge D. M. White were John and Peter Michael Beyers, Kelowna, charged with possession of marijuana for the purpose of trafficking.

Beyers missed a Sept. 10 preliminary hearing date and was re-scheduled to appear today.

In other court activity a Long Island, N.Y. girl was fined \$100 when she pleaded guilty to

stealing telecommunications services from Okanagan Telephone Company.

Rosemarie Elizabeth Simcik was charged after using a fictitious credit card number to place a \$6 call to the United States.

Breathalyzer cases today saw John Nevoks, Oryama, fined \$250, with his licence suspended for one year; Stanley Levin, Vancouver, \$200 and two months suspension; R. W. Dadds, Kelowna, \$200 and three months suspension and David Elmer Fleet, \$200 and two months suspension.

All pleaded guilty to driving while having a blood alcohol count greater than .08.

joint drive is looking for \$66,000 to help this year's cause, four per cent above last year's target. A one-night residential blitz is planned Sept. 30 in city and district, with callbacks set for Oct. 1. About 800 canvassers are scheduled to participate in the campaign including representation from 19 agencies which benefit directly from United Appeal funds.

Lions share of the drive, under city campaign chairman Glenn Lawrence, is \$60,200, with the balance of \$5,800 shared by the Rutland and District United Appeal under campaign chairman Trevor Miller. Covering Rutland, Ellison and Belgo, the Rutland appeal hopes to raise \$5,000 in residential donations and \$800 from commercial and industrial sources.

Independent campaigns will be set up under separate chairmen in the Winfield, Westbank and Okanagan Centre areas. The Rutland appeal headquarters will be located at the Royal Bank there and the campaign executives comprises 10 area captains besides Mr. Miller.

The Kelowna campaign executive comprises R. J. Wilkinson as vice-chairman; Raymond Fieldhouse as commercial and industrial chairman; Dr. George Deagle as professional division chairman; Robert Demara as promotional and publicity chairman and campaign directors, R. F. Parkinson, Michael Roberts, Basil Meikle and Michael Rudkin. Past campaign chairman is R. J. Bennett.

Amounts allotted the 19 participating agencies include \$400 to the British Columbia Boreal Association; \$500 to the Big Brothers of British Columbia; \$8,500 to the Canadian Arthritis and Rheumatic Society; \$1,200 to the Canadian Mental Health Association; \$5,000 to the Canadian National Institute for the Blind; \$14,500 to the Kelowna branch of the Canadian Red Cross Society; \$2,200 to the Central Okanagan Boy Scouts Association; \$640 to the Kelowna branch of the Navy League of Canada; \$5,800 to the Kelowna Boys' Club; \$500 to the Kelowna Health and Welfare Fund; \$3,250 to the Kelowna Homemakers; \$1,600 to the Okanagan Neurological Association; \$7,500 to the Salvation Army; \$4,000 to the Kelowna and District Society for the Mentally Retarded; \$550 to Volunteer Recreational Services; \$300 to Community Information Service and Volunteer Bureau; \$800 to the Westbank Boys' Club; \$484 to the Canadian Council on Social Development and \$100 to the Kelowna Branch of the Association for Health and Welfare of British Columbia.

Lions Bulbs Sold Today

Almost 80 Lions are expected to hit Kelowna streets at 6 p.m. today in the first night of the club's annual light bulb sale.

Almost 10,000 light bulbs are for sale and all areas of Kelowna and Okanagan Mission will be canvassed door-to-door in the sale, expected to last three days. All proceeds go to support Lions' community projects.

Similar sales will be held in surrounding communities.

FIELD TRIP

Members of Central Okanagan Naturalists' Club will go on a field trip Sunday to Pillar Lake near Falkland. Members are asked to meet at the Capri parking lot at 9:30 a.m. and bring a lunch.

James Lidster Installed To Guide 1970-71 Activities

James Lidster was installed president of the Kelowna Kinsmen Club at the organization's 1970-71 installation night at the Capri Saturday.

The joint Kinsmen-Kinette ceremonies were performed by head table guest of honor, Eric Hornby, deputy governor of the Kinsmen Okanagan-Mainline zone, who also officially welcomed Mrs. Ernest Day in her new Kinette presidential post. Mrs. Day succeeds Mrs. Percy Tinker in the key slot, while Mr. Lidster succeeds Raymond Busch.

Installed on the 1970-71 Kinsmen executive were vice-presidents Am Corrado and Roy Phillips; directors Eric Tasker, Paul Bernard and Michael Beacock; bulletin editor, James Watson; secretary, Lars Padua; and treasurer, Warren Coulter. Installed on the Kinette executive were vice-presidents Mrs. Am Corrado and Mrs. James Watson; directors, Mrs. Allan Ribell and Mrs. Leslie Baird; bulletin editor, Mrs. Clarence Mackling; secretary, Mrs. W. A. Axelson; and treasurer, Mrs. Robert Jones.

Special presentations included in the informal program were awarding of the Haddad Merit Trophy to James Watson as Kinsman of the Year by Victor Haddad, and presentation of the Ursula Kolbe Trophy to Mrs. W. A. Axelson as Kinette of the Year by Mrs. Raymond Busch.

Also recognized were perfect attendance records, with commemorative pins presented by

Lloyd Schmidt to the following Kinsmen members: one year—W. S. Axelson, Paul Bernard, Lars Padua and Eric Tasker; two years—Roy Phillips; three years—Robert Jones; four years—Clifford Charles, Warren Coulter and Peter Bulato; five years—Am Corrado, James Lidster, Nicholas Imthorn, Michael Laine, Percy Tinker, and James Watson; seven years—Gord Smith; nine years—Nolan Peters; 10 years—Raymond Busch, Monty DeMara and Allan Ribell; 15 years—George Menzies; 15 years—Robert Koenig.

Head table guests besides Mr. and Mrs. Eric Hornby included Mayor and Mrs. Hilbert Roth, Mr. and Mrs. Victor Haddad, Mr. and Mrs. Eric Lidster, Mr. and Mrs. Percy Tinker, Mr. and Mrs. Ernest Day, and Mr. and Mrs. Raymond Busch.

Introduced to the gathering by installation night chairman Mr. Busch, Kinsmen guests included Mr. and Mrs. Malcolm Leitch, president of the Kelowna Rotary Club; Kelowna Lions Club representative Mr. and Mrs. Victor Welder; Kelowna Kiwanis Club representative Mr. and Mrs. James Wallace; Kinsmen Club president, Mr. and Mrs. Samuel McElroy; Vernon Kinsmen Club president Mr. and Mrs. Donald Christensen; Armstrong Kinsmen Club president Mr. and Mrs. Leonard Gleicer; Kelowna City Club representative Mr. and Mrs. William Baker; Capri East Rotary Club president Mr. and Mrs. Michael Rudkin.

It's Back To School So Drive With Care

Kelowna streets are busier than they've been in weeks as almost 12,000 youngsters in 41 schools are back to classes. The appearance of the army of young pedestrians should be the signal for drivers accustomed to the more relaxed pace of summer to exact special care in the vicinity of schools. Alertness is particularly necessary in the morning, at noon, and in the afternoon when the children are most likely to be on the streets. Many people probably don't realize just what a major event the annual return to school actually is. The return to classes calls for maximum planning efforts on the part of the school staffs as well as parents and students themselves. In Kelowna school district there are 11,647 students in primary, elementary, junior secondary and senior secondary schools. Of the approximately 400 teachers in the school district 114 are new to the area. There are 800 more students this year than last and according to school superintendent F. J. Orme 36 more elementary and 25 secondary classrooms are needed. With the many youngsters starting

school for the first time it is all the more reason drivers should be on the lookout for the unexpected. Many of these youngsters may have had little experience with traffic and be unsure of how to react in an emergency. Drivers, of course, aren't expected to be solely responsible for the safety of school children. The youngsters themselves have a responsibility to know and obey safety rules, crosswalk patrols and also to be alert and courteous on the streets. Parents, especially, have a duty to teach their children the rules of the road and to remind them that the rules were designed to protect them. This should involve showing new students the route to follow to and from school and instruction and practice in the use of crosswalks and intersections. This kind of counselling is the first step parents may take in demonstrating their interest in the school careers of their children. Showing interest in the child's safety may be the means of preventing tragedy. Showing interest in his work and progress hopefully may help to stimulate greater scholastic effort.

Canada Achieves Top Target With Pavilion At Expo '70

OSAKA (CP) — Canada has achieved its prime objective at Expo '70 by "distilling in the next generation of Japanese a regard and appreciation for Canada, its people and things Canadian," says Patrick Reid, commissioner-general of Canada's popular, prize-winning pavilion, in an assessment of Canada's role at the Orient's first world's fair. Expos '70 closed Sunday with an assured record attendance of more than 65 million compared with 50.3 million at Montreal's Expo 67. Canada has reportedly topped all pavilions with more than 25 million visitors—well over Canada's entire population of 21.2 million by the latest Dominion Bureau of Statistics estimates. "Japan really discovered Canada at our pavilion," said Reid. "It was a great step forward, a firm contact with the Japan of the future, a very valid part of our whole program." He said in an interview Canada's presence "confirmed internationally the sophistication and techniques of our economy, and that Expo 67 was no flash in the pan but a fair which established firm foundations for us to work on." Reid said that "in terms of outlay and techniques it is fair to say we have had a successful presentation." "Financially, too—since we saved \$750,000 on our \$11.2 million budget." Canada led the world into

Expo '70, being first to sign a participation contract, and first in all phases of pavilion construction and development. Reid was named chairman of the steering committee of commissioners-general, an influential body representing all foreign Expo participants. All public opinion polls of Japanese and foreign visitors consistently named Canada, Russia and the United States as Expo's three most popular foreign pavilions. Canada's pavilion captured the audience for which it was specially created—Japanese youth. Magazine surveys confirmed that Japan's young people overwhelmingly chose Canada's pavilion as their favorite. "Nothing at Expo '70 was photographed as often as the Canadian pavilion of mirrors and its RCMP guards. The Japanese Broadcasting Corporation co-starred the Canadian pavilion and its staff in a television drama aimed at Japanese youth, and an anonymous donor sent money to Osaka's mayor to help underprivileged children see the Canadian pavilion which he considered of "rewarding interest." Canada's was the only foreign pavilion visited by Emperor Hirohito when he opened Expo March 14. MANY VIPs CAME Later VIPs included all the Japanese royal family, Prince Charles of Britain, Prime Minister Sato of Japan, President Svoboda of Czechoslovakia, heads of state or official representatives from more than 50 nations, and many provincial premiers, federal and provincial cabinet ministers, senators and MPs. Some 300,000 people—85 per cent Japanese—received VIP treatment. For its designers, Erickson and Massey of Vancouver, Canada's pavilion won a special "golden triangle" award from the National Society of Interior Designers of the United States and just before Expo closed it won first prize in the special Expo awards presented by the Architectural Institute of Japan. "Canada's pavilion was extremely lucky," said Reid. "We could see from our foreknowledge of the massive audience ahead that it could not be absorbed in the traditional way. So our designers did right and set out to capture the youth we had been led quite rightly to expect. Our discovery theme, with simple aims, set out to show progressively what Canada is like, and it did so quickly and clearly by films and displays. People saw us as a young and vibrant country."

ENTERTAINMENT BIG He credited much of the pavilion's popularity to the continuous entertainment on its floating stage by top Canadian talent. He said Expo '70, "in its own way and in terms at least of statistics was probably the greatest world's fair of all time. "A Japanese businessman told me that 25 years after the disaster of the Second World War Expo '70 at last brought full emancipation to his country." Reid regretted that "an extravagance of this size doesn't know how to look after crowds (a staggering 837,000 here on Sept. 5). "We must get together and solve this problem, so people who may admit to know what pavilion they can go to at what particular time without having to wait in long queues for hours. "At least the Japanese had a disciplined audience, otherwise there would have been chaos." Canada's pavilion, a hollow pyramid of mirrors shimmering with reflected colors, a majestic timbered interior of pond and floating stage and miniature gardens and tiered wooden seats under huge colored plastic parasols, will doubtless have a long-term impact on Japan. Immediate results are that the Canadian Government Travel Bureau and its visa office in Tokyo have been swamped with inquiries.

U.S. Bankers Express Skepticism About Major Interest Rate Cuts

NEW YORK (AP) — Bankers across the United States are expressing skepticism about the possibility of a substantial drop in interest rates in the near future. A survey of large and small banks shows them to be at odds with Commerce Secretary Maurice Stans who predicted a sharp drop in interest rates. "I think we will see a six-per-cent interest rate, and perhaps not far off," Stans said in an interview last week. Bank officials citing the high cost of money, overhead and continued high demand for loans, say they do not expect the prime rate—the interest charged to large customers—to decline sharply. The effect of a drop in the prime rate, now at eight per cent, would be to make it easier for large corporate borrowers to get loans. This would have the effect of stimulating the economy and cutting unemployment through the creation of new jobs, economists say. "It may look good politically, but how can you lend money at six per cent when you're buying it at eight?" asked George Scott, chairman of the First National City Bank's credit policy committee—the group that sets the New York bank's prime rate. BANKS DENY CUTS The big New York banks are a big factor in any movement in the interest rate, and all say they have no plans at the moment for a cut. Many bankers surveyed said they usually follow the trend set by the large New York banks. U.S. banks are free to set the prime rate at whatever level they wish.

Booster For Canadian Books

TORONTO (CP) — Tim Reid, Liberal party education critic in the Ontario legislature has called for legislation to require Canadian content of at least 25 per cent in bookstores and book clubs within two years. Reid said much of the crisis in the publishing industry can be attributed to American domination of distribution systems. He recommended that a public inquiry be ordered by the government to establish who controls distribution systems. He added that legislation should be enacted to require the Canadian content of bookstores to be 25 per cent within two years and 50 per cent in five years. Any Canadian book clubs should have a strict 25-per-cent Canadian content. He said non-Canadian university teachers prescribe books with which they are familiar.

is spent by public, school and college libraries annually, less than five per cent of it stays in Canada. SEEN U.S. DOMINATION Mr. Reid said much of the crisis in the publishing industry can be attributed to American domination of distribution systems. He recommended that a public inquiry be ordered by the government to establish who controls distribution systems. He added that legislation should be enacted to require the Canadian content of bookstores to be 25 per cent within two years and 50 per cent in five years. Any Canadian book clubs should have a strict 25-per-cent Canadian content. He said non-Canadian university teachers prescribe books with which they are familiar.

One solution in this area is to go along with proposals for increasing the number of Canadians on university teaching staffs, Mr. Reid suggested. But publishers should also be guaranteed by provincial and federal governments against losses on scholarly works by Canadian authors. Mr. Reid also called for a \$20 million government subsidy to advertise books compiled and written by Canadians—because news media do not devote enough space to reviews of Canadian books. "All of Canada's 10 provinces, must pass legislation requiring schools to use textbooks authorized by each province's department of education. Text of Mr. Reid's speech was released to the press before delivery.

NEWS ANALYSIS

'Future' Picture Is What's Needed

By PHILIP DEANE Foreign Affairs Analyst What can Israel do if its demand is not met and Egypt does not withdraw from the Suez canal zone missiles installed there recently? U.S. intelligence sources are still not sure new missiles were installed by Egypt after the ceasefire and the reason the U.S. is not quite sure is that it has "after" pictures but not "before" pictures of its own. The only "before" pictures available were taken by the Israelis and are not dated so they could be—as the Egyptians claim—very old pictures. The U.S. does not have its own "before" pictures because it was not flying U2 spy planes over that area until after the ceasefire was agreed upon. But the Israelis have been so vehement in maintaining that their proof of Egyptian violations is valid, that the U.S. has accepted the Israeli version of the case: the Israelis had threatened to end the ceasefire if their word was not taken and the U.S. gave in to keep the channels of communication open as long as possible. To keep the Israelis from breaking the ceasefire, the U.S. has promised to step up "if necessary," its deliveries of Phantom jets to Israel, complete with air to ground missiles that can destroy the Russian anti-aircraft missiles in Egypt.

The fact that Egyptian and Russian protests against these supplies of arms to Israel have been muted so far is taken by some diplomats as indication that the Egyptians and Russians have indeed violated the ceasefire. Other diplomats, however, believe that the Russians and Egyptians are being moderate in their criticism of the U.S. because they still hope to convince Washington not to strengthen Israel. What if the diplomacy fails? What can Israel do then? If the Phantoms with their special missiles have been delivered, then the most likely military outcome is a sudden attack on the many sites by air and by an Israeli army column, crossing the canal, slicing through Egyptian missile sites to destroy them with demolition charges. This would be a suicide type of operation, with heavy losses for the Israelis but they would, probably, reach their objectives and destroy the missiles, killing in the process, an unpredictable number of Soviet technicians. The next step would probably be the arrival of Soviet troops in Egypt to defend the next batch of rockets Russia would send to Egypt. The conflict, in other words, would be escalated and this is something both the U.S. and Russia want to avoid.

City Folks' View Of Farmer's Life Turns Out To Be Fallacy Says Report

EDMONTON (CP) — Many city dwellers still believe the basic economic needs of Prairie farmers are much less than their own, but investigation shows that in today's society this is a fallacy, agricultural experts say. The old idea that farmers do not need as much take-home pay because they can live off the land is incorrect, because rural people are just as concerned about a standard of living, both economically and socially, as their city counterparts. Unifarm, an Alberta organization which says it represents more than 30,000 of the 50,000 farmers in the province, says such thinking today reflects a lack of knowledge about changes in the agricultural industry. "Life on the farm has changed significantly... and the trend has been to purchase more and more goods and services rather than living off the land." With increasing specialization in agriculture, fewer farmers have access to farm-grown produce. Today many more farmers must buy their groceries, milk, butter, eggs, meat and poultry, just as the city dweller does. NOW WANT COMFORTS "At one time when the majority of our population was rural-oriented people were not inclined to compete with the standard of living of urban people," Unifarm said in a recent brief. "Today this has changed... with modern communication and transportation technology rural people are becoming more aware of the more affluent sector of our society and, they too, would like to enjoy all the modern conveniences and more leisure time." Added to this are many services provided today that were not available in bygone days, such as telephones, natural gas, electric power, running water and sewer systems. These conveniences—taken for granted in

the cities—mean extra costs in farm operation. "In other words the rural financial needs are much closer to those of urban people today than they ever were in the past." But falling farm income and increasing production and living costs have forced many farmers to the lower end of the income scale, resulting in pockets of poverty in rural areas. Unifarm says that, based on the Economic Council of Canada's definition of poverty, fully "50 per cent of Alberta farm families were below the poverty level in 1968 which indicates the magnitude of the rural... problem." WELFARE ROLES GROWN Alberta's social development department said 1,259 farm families are receiving social assistance this September, an increase of 262 families during the last 10 months. In addition there were some 2,500 farmers receiving provincial interim assistance loans of \$1,000 to cover living expenses. No figures were available for Manitoba, but Saskatchewan's farm welfare roll also is growing. In September, 1969, there were 404 farm families receiving financial assistance while this year the figure has grown to 579. The rolls probably would be higher if many farmers did not have additional off-farm income or wages that work. Unifarm said the number of Alberta farmers taking jobs off the farm is growing. In 1966, about 51 per cent of the non-commercial farmers did off-farm work compared with 41 per cent in 1966. The farm organization advocates some form of guaranteed annual income because present social welfare development programs do not serve rural areas adequately. "It is not easy for the farmer to get welfare because he usually has some equity in the farm and the net value of the farmer's assets make him ineligible for assistance."

Individual Canadian Artist To Help Plan Cultural Policy TORONTO (CP) — Private cultural agencies and the individual Canadian artist will have a say in the formulating and implementing of Canada's cultural policy. That was the assurance Secretary of State Gerard Pelletier gave representatives of the fine arts Saturday night when he announced the setting up of an advisory committee to work with the government in developing a Canadian cultural policy. "We don't believe that an arts policy can be implemented without the help of artists, any more than we believe any senior government official can acquire instant mastery of cultural affairs," he told delegates attending a national forum on cultural policy. "The advisory committee will include spokesmen for the artistic community, who will have the same status as the other members and will be involved in the decision-making process."

WOULD HAVE LAST WORD The result, said Mr. McPherson, would be that "the secretary of state and his professional personal staff could have the final word on cultural policy and affairs."

INCLUDES AGENCY HEADS The "other members" to which Mr. Pelletier referred are the heads of federal cultural agencies, such as the CBC, the Canada Council, the National Film Board, the Canadian Film Development Corp., the Canadian Radio-Television Commission, the National Arts Centre and the national museums. He said the committee will begin regular meetings this fall "to work out long and short-term policy objectives, the means of putting them into practice, and their budgetary implications."

CRITICISM OF MR. PELLETIER'S announcement even preceded it. Hugo McPherson, former commissioner of the National

Keep The Oceans Clean

(Hamilton Spectator) Opponents of birth control and those who see no limit on what is euphemistically called Progress usually point a meaningful finger at the sea, picturing a bottomless bucket of nourishment. Evidence suggests the optimist isn't entirely warranted. There are a lot of arid acres in the deep and mankind's future storehouse is by no means certain or secure. In fact, it's in trouble. British science journalist Lord Ritchie-Cader, expanding on earlier reports, says the oceans may become as barren as some of the rivers and lakes where civilization has polluted the water to death. Constant and rising flows of oil,

pesticides and other contaminating wastes could destroy marine life that feeds a large part of the existing population, and upon which mankind relies to feed even more in the future. Ocean foods that escape over-exploitation may be poisoned. Canada has discovered, in its attempt to save Atlantic salmon from extinction, that other countries won't easily co-operate; that men prefer short-term gain to ultimate survival. The case is a forerunner of the awful odds against saving the oceans. Only a combined effort of all the nations will keep the oceans clean enough to support life needed to support humanity. And, in recorded time, the nations of this earth never have been able to get together.

Bygone Days

(From Courier Files)

10 YEARS AGO

Sept. 1960 Louis Armstrong, Ole Satchmo in person, thrilled the local "cats"—(Real cool cats—Man!) at the Memorial Arena. About 2,500 of them kept up a steady beat with hands and feet, as the 60-year-old ambassador of jazz played old favorites like "Basin Street Blues" and "Blueberry Hill."

20 YEARS AGO

Sept. 1950 Representatives of the BCFGA are now in Ottawa seeking \$1.25 a box export subsidy on Canadian apples, and also pears, similar to the subsidy granted by the U.S. government to American growers. The U.S. government paid, last year, on "Off Shore" subsidy on all apples shipped to foreign markets.

Popular City Couple Wed In Double-Ring Ceremony

A double-ring ceremony united in marriage Marjorie Esther Miller, daughter of Mr. and Mrs. Harvey Miller of Kelowna and Dennis Eric Loken, son of Mr. and Mrs. Eric Loken of Kelowna on Sept. 5.

White baskets of light to dark pink gladioli and white ribbon pew markers decorated First United Church for the 4 p.m. ceremony conducted by Rev. Robert Stobie. Soloist Mrs. Kenneth Harding of Kelowna, accompanied by Rex Marshall, sang The Wedding Prayer and The Voice That Breathed O'er Eden.

The lovely bride walked down the aisle on the arm of her father to the strains of The Wedding March. White satin corded piping traced the empire waist and high round neckline of the floor length gown of white imported polyester embroidered sheer over acetate satin, worn by the bride. The long sheer sleeves were gathered to cuffs closed with satin covered buttons and loops as was the dress back which was accented with a white satin bow. Her shoulder length sheer veil fell in graceful folds from a headress of tiny white flowers decorated with pearls.

She carried a cascade bouquet of white baby roses and featured carnations tipped pink and centered with a white cymbidium orchid with pink throat.

Her new wedding attire, an old flowered brooch made of shell which belonged to her late paternal grandmother and borrowed pearl earrings and blue garter formed the traditional rhyme and she wore a sapphire in her shoe for luck.

Maid of honor, Beverley Miller, the bride's sister of Kelowna and bridesmaids, Debby Graf of Kelowna and Kathy Loken, the groom's sister of Vancouver, wore identical empire waisted floor-length gowns of hot pink peau de sole with ruffled necklines and full sheer georgette sleeves ending in peau de sole cuffs with a ruffled trim. The dress backs were trimmed with peau de sole buttons and they carried colonial bouquets of white feathered carnations surrounding a white cushion of 'mums' dipped pink. They each wore pearl drops, gifts from the bride.

Tiny pink flowers centred with pink beads were entwined in their corsages. Gregory Langham of Kelowna served as best man and Vernon Wallace, also of Kelowna and Ronald Loken, the groom's brother of Prince Rupert, were ushers.

The bride's mother chose a dress of frosted blue peau de sole for her daughter's wedding with matching corsage of white carnations dipped in blue. The groom's mother chose a sleeveless dress of creamy beige crepe with lace overlay, enhanced with yellow carnation corsage.

MR. AND MRS. DENNIS LOKEN (Ponich Photo)

A reception followed in the Rutland hall which was decorated in a white and pink theme to match the pink roses which decorated the four-tiered wedding cake. Bridal bouquets and pink candle also adorned the setting.

Grace was said by the bride's uncle, Rev. Reuben Schmunk who also served as master of ceremonies and the toast to the bride was proposed by Kenneth Graf. Gregory Langham did similar honors for the bridesmaids and Eileen Klien was in charge of the guest book.

For a honeymoon to Spokane, Seattle, Victoria and Vancouver, the bride donned a bright yellow raschel knit mini dress and pant suit, with accessories of golden brown crushed leather. A corsage of bronze 'mums' trimmed with green formed her corsage. The newlyweds will reside at 606 Christleton Ave., Kelowna.

OUT OF TOWNERS
Out of town guests were: Grant Bodley, Mr. and Mrs. John Forget, Rev. and Mrs. Reuben Schmunk, Linda and Eugene, Mr. and Mrs. Johnny Schmunk, and Kathy Loken, Mr. and Mrs. Vincent Currie, all of Vancouver; Mr. and Mrs. R. Clermont, Penticon; Chance Currie, Edmonton; Mr. and Mrs. Tom Greenaway, Prince George; Lily Wellie Fenton, Salmon Arm; Mr. and Mrs. G. Hodges, Bob and Eric, Victoria; Mr. and Mrs. D. Holland, Vernon; Mr. and Mrs. Ron Loken, Prince Rupert; Al Miller, Grande Prairie, Alta.; Mr. and Mrs. George Plotz, Lynn and Debbie, Calgary; Mr. and Mrs. H. Wallace, Mrs. Clara Yastub, Steven, Dianne, Lynd and Jimmy, all of New York; Mr. and Mrs. Ed Zenowski and family, Kamloops; Mrs. Margit Playford, Soap Lake, Wash.; Mr. and Mrs. George Loken and Adriene, Fort McMurray, Alta.; Mr. and Mrs. R. Leischner, Shirley, David and Darrell, Osoyoos; John Leischner, Kamloops; Mr. and Mrs. Earl Armstrong, Kamloops.

Jaycettes Decide To Purchase \$100 Pool Brick

The September meeting of the Kelowna and District Jaycettes was held Sept. 10 at the home of Doris Baker on Mountain Avenue. The meeting was chaired by Mrs. Norman Robinson, Jaycettes president.

It was decided the group would purchase a \$100 brick in aid of the swimming pool fund. Several projects and socials for the coming year were discussed. Some of the activities planned include a 'Fireside Evening' for the benefit of new members, attendance at fall congress, past president's dinner and a bowling party for Jaycettes and Jaycettes Sept. 26.

Jaycettes will be assisting Jaycees in the production of the Buzzer, a bi-monthly publication of the Jaycees.

Regal Card chairman for the year is Mrs. Doris Baker. Regal card sales are the main fund-raising project of the Jaycettes. Plans are also underway to make decorated shower boxes as containers for gifts at baby or bridal showers. Anyone requiring a decorated container for a shower will be able to rent one.

Jaycettes also plan various tours which will begin with a visit to court Sept. 28. Mrs. Don Burch was appointed program chairman for programs at future meetings; this will include informative sessions on parliamentary procedures and speakers and will begin with the November meeting.

Refreshments and coffee followed.

HITHER and YON

Back from an extended holiday is Mrs. Charles Kill of Kelowna, who visited with friends and relatives at Winnipeg; enjoyed a stay at a niece's summer cottage at Grand Beach, Manitoba. She also enjoyed a visit at Grand Forks, N. D. and back in British Columbia visited with her son and daughter-in-law, Mr. and Mrs. Dudley Kill of North Vancouver.

Among students back at studies is Howard Faulkner, son of Mr. and Mrs. Grant Faulkner of Alta Vista, who returned to the University of Alberta at Calgary where he is a commerce student.

Off to enjoy a week's holiday are Mr. and Mrs. H. R. Greer who are spending the week with friends at Hinton, Alta. and also touring Jasper Park at the same time.

Recently returned from four days in Vancouver are Mr. and Mrs. F. W. Lillquist and infant daughter Patricia, 3377 Lakeshore Road. While in Vancouver Mr. and Mrs. Lillquist stayed with Mr. Lillquist's parents and visited many friends and relatives.

Mr. and Mrs. Lyle Scott of Pangman, Sask., are visiting Mrs. Scott's sister and brother-in-law Mr. and Mrs. J. L. Ford of Richter Street.

OKANAGAN MISSION
Richard Weisbeck, son of Mr. and Mrs. John Weisbeck has recently left to attend Vancouver City College at Vancouver.

The Weisbecks spent two very enjoyable weeks at Vancouver before returning home.

Mr. and Mrs. Charles Ross, McCulloch Road entertained at a buffet supper Sunday evening. A special guest was Mrs. Joan King of Surrey, England. Mrs. King is a sister of Mrs. Vera Butler of Butler Road, East Kelowna.

Surprise Showers Are Given For Two District Brides-Elect

After several funny games, refreshments were served.

LUCILLE ZLATICH
A surprise shower honoring Lucille Zlatich was held at the home of her parents, Mr. and Mrs. John Zlatich recently, which was hosted by proxy for a very dear friend of the bride's, Ann Valenich of Klam, Yugoslavia and co-hosted by Mrs. John Suschnik, the bride's aunt of Kelowna.

Lucille, whose marriage to Michael Michaylow takes place on Sept. 12 at 4 p.m. in St. Plus X Roman Catholic Church, was seated in a chair decorated with mauve and white streamers. She was also presented with a lovely corsage of mauve flowers.

Her sister, Janie Zlatich, and her bridesmaid, Rose Michaylow, assisted her in opening the many lovely gifts and the latter fashioned a bride's hat from the colorful ribbons.

Marriage Announced

The marriage took place on Aug. 10 at Banbridge, Co. Down, N. Ireland, of Dr. John L. Campbell, eldest son of Dr. and Mrs. John Campbell, 2136 Abbott St., Kelowna and Margaret Elizabeth, only daughter of Dr. and Mrs. L. McCrory, Banbridge, Co. Down, N. Ireland. The couple are residing in Victoria, B.C.

ENGAGEMENT

Mr. and Mrs. Roland Baker of Kelowna are pleased to announce the engagement and forthcoming marriage of their eldest daughter, Gloria Gale to Phillip Gunhouse of Vancouver. The wedding will take place on Oct. 10 at 3 p.m. in St. Michael and All Angels' Anglican Church, Kelowna.

Engagement Announced

Mr. and Mrs. Edward Hannebauer of R.R. 2, Kelowna are pleased to announce the forthcoming marriage of their eldest daughter, Wilma Lois to David Arthur Deschamps, son of Mr. and Mrs. Paul Deschamps of R.R. 3, Kelowna. The wedding will take place on Oct. 10 at 3 p.m. in the United Church, Rutland.

Old Friendships Renewed In City

Renewing friendships in Kelowna recently were Florence Riddell and Jeanette Laing of Hamburg, Ontario.

While here they visited Douglas and Diane Ross and Douglas Jr., and spent several days with their aunts, Nellie Riddell and Mrs. Mary Jones.

They also spent some time in Vancouver visiting Robert and Pearl Laing and Clifford and Diane Jones. They spent a day in Kamloops with Stanley and Marie Jones.

On their return journey they stopped in Winnipeg where they visited another aunt, Mrs. Leslie Riddell, formerly of Lakeshore Drive, Kelowna, and at one time nurse's aide at the hospital.

PALATIAL HOUSING

TORONTO (CP) — The Ryerson Polytechnical Institute here recently announced it will open a 22-storey apartment building for its students. The building will have a full lounge on the top floor, a recreation room, sauna bath and pub in the basement.

ANN LANDERS

Pseudo Cyesis Can Develop Labor Pains

Dear Ann Landers: Can a girl THINK herself into pregnancy? I mean can she want to be pregnant so desperately that she actually believes she is? A friend of mine told me this happened to her cousin. The girl was married for six years and wanted a child more than anything in the world. She went to several doctors who said there was no physical reason why she and her husband could not have a family. Suddenly she began to have morning sickness. She was positive she was pregnant at last, even though her gynecologist told her she was not. The girl gained 30 pounds and bought maternity clothes. After nine months she woke up in the middle of the night with labor pains. The doctor on duty at the hospital told her she was not pregnant and she must have eaten something that didn't agree with her.

Is this possible? Please answer because I believe something similar is happening to me. The only difference is I am not married.—Knitting Booties In My Head

Dear Knitting: A woman cannot THINK herself into pregnancy but she can want a child so desperately that her body develops all the physical symptoms. The medical term for imaginary pregnancy is pseudo-cyesis. These emotionally disturbed women need psychiatric care.

Dear Ann Landers: I want to marry a man who has been divorced. His daughter is 18. Betty is from his first marriage. (We won custody.) She succeeded in breaking up his second.

I am very fond of Betty and the feeling is mutual. She has

Court Releases Africans

PRETORIA (Reuters) — Nineteen of 20 Africans charged with terrorist activities and plotting the violent overthrow of the South African government were found not guilty and discharged here today.

For the other African, Benjamin Ramotse, the defence submitted that his trial was a violation of international law since he was apprehended outside South Africa.

Ramotse claimed he had been captured by Rhodesian troops inside Botswana, taken into Rhodesia and then handed over to the South African authorities.

The judge decided that his plea failed and Ramotse's trial will continue at a date to be fixed later.

Immediately after the trial resumed today, the judge, Mr. Justice Gerrit Viljoen, handed down an 84-page written judgment on two pleas made on behalf of the 20 accused.

QUESTIONS LEGALITY
The pleas, made by defence counsel Sydney Kentridge at the last hearing last month, were that the court has no jurisdiction to try the 20 Africans.

On behalf of 19 of them he submitted that they already had been acquitted on most of the allegations against them.

Those acquitted today included Winnie Mandela, wife of the former leader of the banned African National Congress who is serving a life sentence.

There were wild scenes of jubilation outside the Supreme Court among Africans who had come to watch the trial—relatives and friends of the accused—when the acquittal was announced.

The 19—including five women—have been in detention for more than a year, most of it in solitary confinement.

Canada Wins Early Round In Chess Play

SIEGEN, West Germany (CP) — Canada virtually swept its three matches, in the preliminary round of the World Chess Olympic play during the weekend and stands a chance today of being the 12th country to advance to the finals.

The top two teams in each of six groups goes on to the finals to decide the world team chess championship.

Canada has a shaky hold on second place in Group II. Yugoslavia leads the group and has qualified for the finals while the two spots in each of the other five groups also have been decided.

Canada was in fourth place in Group II Friday but went on to down Britain 3-1 in the seventh preliminary round, sweep four matches from Hong Kong in the eighth and defeat Andorra 3½-½ in the ninth.

Canada now has completed its preliminary rounds and must await the outcome of today's two adjourned matches between Indonesia and Mongolia.

Yugoslavia leads Group II with 30½ points with one match adjourned. Canada is second with 23 points and Indonesia third with 22.

But if Indonesia wins its two remaining games against Mongolia it will pass Canada into second place in Group II and win the remaining spot in the finals.

In addition to Yugoslavia, teams in the final are: The Soviet Union, Spain, United States, East Germany, Hungary, Romania, Argentina, Czechoslovakia, West Germany and Bulgaria.

ARMS STOCKPILING

MANILA (AP) — The Philippine national police will buy 3,000 M-14 rifles from an American firm to "increase the firepower of the constabulary in its peace and order drive" against Huk guerrillas, smugglers and bandits, Police Chief Eduardo M. Garcia announced.

WHITE WRITES

North Begins Hockey Camp

By LORNE WHITE

Thirty-eight players from Guelph, Ont. to Chemainus, B.C. on Vancouver Island took to the ice Sunday, trying for a spot on the 1970-71 edition of the Kelowna Buckaroos, and the head of manager-coach Wayne North is still swirling.

"I've never seen so many faces on a sheet of ice at one time," said the rookie mentor.

"With so many out there, I can see there's going to be a lot of cuts, but we'll give them all a good chance to prove themselves before Friday," he pointed out after the two hour practice at the Arena.

The 32-year-old former Kelowna Packer and professional with Calgary, Victoria and Toledo, Ohio, has his work cut out for him during the next three weeks, before opening day Oct. 3 in Vernon.

ONLY THREE PLAYERS, Doug Manchak, Ron Andruff, and Ian MacCrimmon, have returned from last season's sixth place club, which shows the enormous rebuilding job needed this season.

Manchak was one of the many imports from Fort St. John last season, and one of the few who looked to have any real ability.

The quiet, smooth skating left winger was showing signs of becoming a real leader on the club last season; and the first couple of weeks in December, hit a hot spell that momentarily lifted the lowly Kelowna squad. After scoring seven goals in just three games, Manchak ran into a defenceman in Victoria Dec. 18 and dislocated his shoulder, putting him out for the remainder of the season.

Andruff joined the Bucks later in the season, and was a big asset during his brief stay.

THE THIRD RETURNER, MacCrimmon, is out to take the goaltending duties on a regular basis this season, after doing part time during the past two seasons.

The Kelowna minor hockey product looked extremely sharp Sunday and could be tough for anyone to dismantle.

About 15 of the tryouts this week are from other parts of the country, the most impressive at the camp being two youngsters from Regina, and another from Rossland.

The two prairie skaters are Chuck Huck, brother of Fran, and Ken Selenger, both junior B graduates from Regina.

Huck, who displayed some of the moves that his brother made famous as a junior and later with the Canadian national team, is also a centerman, and played minor hockey on the same line as Selenger.

SELENGER HAD A FINE SEASON last year, scoring 32 goals and finishing in the top ten scoring list, behind Huck.

The curly-headed blonde may have been the smoothest skating forward on the ice Sunday, and looks to be knowledgeable around the net as well.

A former Buckaroo, Danny McCarthy, playing with the Kelowna squad in the 1968-69 season, has put on about 20 pounds since his departure, and added a little finesse while with the Rossland junior B's last season.

Others from out of town giving it a go, are Blaine Maughn a defenceman from Vermilion, Alta., Bob McElenaghan of Nelson, and three brothers from Guelph, Ont., Paul, Reg and Larry Keating, all forwards.

THE REMAINDER OF THIS week's camp are Kelowna and District Minor Hockey products, which coach North is planning to watch closely.

Cary Larsen and Jerry Fiest look to be the best bets from last season's junior B squad, while Greg Fox, Bruce Gerlach and Wayne Stewart from the midget ranks also looked impressive Sunday.

The Okanagan Valley bantam all-star champions are represented by eight players, with Ken Weninger, Darrell Laboucan and goaltender Leighton Waters showing the most potential.

North will go with 40-plus until Friday, when a major cut will come.

The remaining hopefuls will be joined next week by about a half a dozen players from the Saskatoon Blades of the Western Canada Hockey League.

PUCK PATTERN: Larry Scott, of last year's Buckaroos, took a brief look at the Buckaroo hopefuls Sunday, before travelling to New Westminster for a tryout with the Royals.

The lower-mainland club will be allowed four over age players this season, because of its non-affiliation with the WCHL.

The Buckaroos camp will be joined by three Smithers skaters; defenceman Peter Small, and forwards Darrell Dyck and Gord Adomeit. Small and Adomeit were recommended by San Diego Gulls' Gerry Goyer, who taught at a summer hockey camp in Smithers.

The fall hockey fever has already hit, and about 50 people turned up to watch the two hour practice.

One spectator who said he would rather be out on the ice, was Ron Pyle, a former goaltender with the Bucks, who is over the age limit and this year has taken the job as club trainer.

The Buckaroo camp will run for two hours each day this week.

IMPRESSIVE

One of the more impressive skaters at the Kelowna Buckaroo training camp Sunday, was this left winger, Dan McCarthy, last season with Rossland junior B's. McCarthy has returned to the Kelowna

squad after a year's absence, in which he has gained needed weight and finesse, that may make him one of the B.C. Junior Hockey League's top performers this season.

CONVICTIONS REDUCED
Almost half the motorists arrested by Kentucky state police last year for drunken driving were able to get the charges dismissed or reduced in court, a public safety department report shows.

NONE FOR THE ROAD
There will be none for the road in a new municipal parking garage in Salisbury, Rhode Island. The city council reversed its decision by its public works committee to allow a bar in the building.

HOW LONG WILL IT LAST?

Long hair is in. At least that's what these four Kelowna Buckaroo hopefuls seem to think, as they stand together at the Buckaroos' first day of practice Sunday

in the Memorial Arena. The four, from left to right, Leighton Waters, Bruce Gerlach, Shawn O'Reilly, and Tom Greenough, are seen here admiring each others

lengthy locks, but have also been getting a watchful eye from the Bucks' manager-coach Wayne North, who believes the style could be out should they make the junior A squad. North sports a

brush cut. The four were among about 40 players who turned up for the Buckaroo training camp, 25 of which were from the Kelowna and District Minor Hockey system. —(Courier Photo)

BASEBALL'S WEEKEND

Dropped Flyball Tightens Race

By THE ASSOCIATED PRESS

Manager Danny Murtaugh and pitcher Steve Blass of Pittsburgh Pirates were just a handshake away—when Matty Alou let Chicago Cubs slip through his fingers.

Alou, Pittsburgh's usually sure-handed centre fielder, muffed a fly ball with two out in the ninth inning Sunday and the Cubs went on to kayo Blass and score two quick runs for a 3-2 victory that tightened the three-team scramble for the National League's elusive East Division title.

The sudden turnabout carried the third-place Cubs within one game of the first-place Pirates and within one-half game of the runner-up New York Mets, who lost 5-4 to St. Louis on Joe Torre's 13th inning homer. It also caught Murtaugh, the Pirates' manager, with his hand outstretched.

"I told you the truth," he said, "I was stepping out of the dugout to shake Steve's hand."

Blass led 2-1 and was one out away from a five-hit victory when Alou dropped pinch-hitter Willie Smith's short fly for a two-base error. Don Kessinger laced a run-scoring single on the next pitch to tie the game, but the Cubs' lead was short-lived. Glenn Beckert's first-pitch single — which finished the shaken Blass — and scored the winner on Billy Williams' second-pitch single off reliever George Brunet.

ALOU UPSET

"I should have caught the ball," said Alou, fighting back tears in the Pirates' quiet clubhouse. "I knew the wind was blowing in, but I should have caught the ball."

"I'm not about to criticize Matty," said Blass, who wound up with his 12th loss in 21 decisions. "He's saved me a thousand times. I still had a chance to get Matty off the hook if I had gotten Kessinger, but I didn't do it."

Elsewhere, San Diego Padres stunned Cincinnati's Reds, the West Division leaders, for the third straight time, 5-4; Los Angeles Dodgers downed San Francisco Giants 5-3 in 10 innings; Montreal Expos topped Philadelphia Phillies 4-2 and Houston Astros drubbed Atlanta Braves 10-6.

In New York, Torre, who had struck out three times, won it

for St. Louis with a leadoff homer in the 13th off Ron Herbel, the Mets' fourth pitcher.

St. Louis relievers Nelson Briles, Frank Bertaina and Frank Linzy, the winner, combined to retire the last 22 Met batters in order after a sixth inning single by Cleon Jones.

Joe Hague drove in the Cards' first four runs with a homer and a single.

BOUNCE BACK

Pete Rose's 14th homer gave the Reds a 4-3 lead in the eighth inning at San Diego, but the Padres bounced back in their half on a two-run pinch-double by Larry Stahl.

Tom Halter pinch-hit a three-run homer in the 10th, breaking a 1-1 deadlock at San Francisco, and the Dodgers, ending a five-game losing streak, added another run before the Giants rallied for a pair in the bottom of the inning.

The Expos scored twice in the eighth on Rusty Staub's single, a fielder's choice, a throwing error by pitcher Joe Hoerner and Ron Brand's sacrifice fly to break a 2-2 tie and hand the Phillies their fifth straight setback.

Cesar Nedeno's two-run double and two Atlanta errors keyed a six-run first inning burst that carried the Astros past the Braves.

Everything Going Strong In AL

By THE ASSOCIATED PRESS

Steve Hargan's fast ball was gone with the wind, Rich Morales' homer was gone in a flash ... and Baltimore Orioles were just gone.

Hargan said the wind helped as he pitched a two-hitter to lead Cleveland Indians over New York Yankees 3-1; Morales delivered a thunderbolt homer as Chicago White Sox nipped Minnesota Twins 8-7 and the Orioles bombed Boston Red Sox 13-2 Sunday to cut their magic number in the American League East to three games.

"I had the wind behind me," Hargan said after allowing the Yankees a fourth-inning single by Roy White and a single by Danny Carter in the eighth.

"I'd always heard that if you get a good horse, ride it, so I stayed with my fastball.

"It was just one of those days that went my way and we got some runs. I threw maybe five or six curve balls all day."

Morales' first major league homer, a sixth-inning shot off Jim Kaat, was the winning margin after the White Sox scored seven times in the fifth and held

off a ninth-inning rally by the Twins.

The Orioles' clinching number for the East Division pennant was reduced with the Yankee loss. Baltimore is out of halting distance, with a 14-game lead over New York.

Elsewhere in the AL, Kansas City Royals took a pair of extra-inning affairs from Oakland Athletics by identical 8-7 scores; California Angels turned back Milwaukee Brewers 2-1 and Washington Senators cuffed Detroit Tigers 1-0.

Homers by Craig Nettles and Buddy Bradford helped Hargan notch his ninth victory in 12 decisions. The Yankees scored an unearned run in the fourth.

Hargan, modest about his fine pitching performance, credited Bradford with saving the victory when he made a running catch of Jimmy Lytle's line drive in the eighth after the Cater single.

"It sure got me out of a jam," Hargan said.

Mike Cuellar, Baltimore's slickest southpaw, won his 23rd game as the Orioles ran their winning string to six.

Golden Era Of Team McLaren Ended By Dean of Opportunists

GAINESVILLE, Ga. (AP) — The golden era of Team McLaren's domination of road racing in North America came to an end Sunday.

The driver who did it was 38-year-old Tony Dean, a Britisher whose 182-cubic inch Porsche Spyder 908 shouldn't even have been racing against the likes of the 600-horsepower McLaren-Chevrolests.

Dean, a veteran of many European courses, happened to be the guy sitting in the right position at the right time as the more powerful contenders dropped out one by one in a wreck-marred Canadian-American Challenge Cup race at the new Road Atlanta Circuit 40 miles northeast of Atlanta.

The Britisher romped home to collect \$16,450 from the \$61,500 purse—the largest payday of his career—and end Team McLaren's string of Can-Am victories at 19. A McLaren team car hadn't lost in the series since Oct. 13, 1968, and they had won the series title three times in a row.

LEADERS FALL OUT

Dean's win at Road Atlanta came after four separate early leaders either wrecked or ran off the new 2.52 mile course.

Denis Hulme, who had posted three Can-Am victories as the No. 1 Can-Am driver, wrecked while leading on the ninth lap. Pete Revson, the New York

Athans Tops World's Best

TEQUESQUITENGO, Mexico (AP) — The United States team won Saturday the fourth American water ski championship held at volcanic Tequesquitengo Lake.

The American team got 8,802 points on slalom, figure and jumping competitions.

Canada was second with 7,398 and Mexico third with 5,136. George Athans of Kelowna, won the figure individual title with 4,655.6 points, defeating the over-all champion Mike Sayderhud, from the U.S., who took second place with 4,594.

American Wayne Grinditch was third with 3,893.9.

The jumping individual title was won by Sayderhud who got 355.42 points. Grinditch took second place with 337.15 and Mike Graser of the U.S. was third with 334.75.

Liz Allan, from the American female team, took the jumping individual title with 227.66 points. Lisa St. John of the U.S. was second with 224.90 and Linda Bocock of St. Saviour, Que., took third place with 223.25.

Linda Lynn-Weir of the U.S. won the figure individual title by getting 2,701.3 points. Ann Klinger of Hesperia, Ont., took second place with 2,517.4 and Miss Bocock was third with 2,169.9.

Book Rewrite At Tillicum

By RON ALLERTON

It's time to rewrite the Okanagan stock car record book again.

But, rather than rewriting it, why not start all over again?

This time we'll call it the Okanagan stock car record book — by Drew Kitsch.

He's the young driver most people boo at Vernon's Tillicum Raceway. The 22-year-old stocker, in his fourth season of driving, hopes to hit the big time of A modified racing next year.

All he did Sunday afternoon was break the track record in time trials and shatter two long-standing Valley track records.

For several weeks he's been tied with Kelowna's Ab Funk at 17.2 seconds. He finally got under that, with a quick 17.1 effort, but that was just a warm-up.

By the time he'd finished his afternoon's performance he'd won every race in his class — six in all—the first driver ever to win six races in a single day. A lot of Valley stockers had won five in one day in past years, including Kitsch and Lyle (The Viking) Hickson.

But Kitsch now has the record all to himself—six in one day.

But that was only part of the story.

Heading into the final event—a 35 lap feature for B modifieds, Kitsch sat at 40 wins for the year—tied with retired John Fisher of Kelowna, who won 40 last year with his early late at the old Billy Foster Memorial Speedway.

Kitsch won easily, to put two records into the local book which may take a long time to break.

Winning was tough, as only four drivers managed to pick up the checkered in 11 events. One of two double winners was Vernon's Bruce Georgeson, who has the modified stock points championship locked up.

Also grabbing two checkered was Earl Stein, last year's C modified points champion, who is running second behind Georgeson this year. Stein's second win gave him 10 for the season, the fourth driver to hit 10 wins.

Two records bit the dust. Georgeson, who faced a major rebuilding job after a bad wreck last weekend, finished the job only 10 minutes before he pulled into the pits Sunday. His crew didn't think the car was handling quite right, but the jolly green giant brought it in in 19.4 seconds, two-tenths faster than he had ever gone before and a tenth better than Kamloops' Bill Donaldson, who had the old mark at 19.5.

The second time trial record belonged to Kitsch, one-tenth faster than before at 17.1. Georgeson was followed by Bob Stein and Earl Stein in the modified stock dash, while visiting Ron Morris of Surrey and Doug MacNaughton followed Kitsch across the line in the B modified dash.

Rookie Winston Hossock of Kelowna and veteran Art Fiest of Lumby chased Georgeson past starter Mark Devin in the modified first heat, while Wally Klym of Vernon and Pete Smirl of Kelowna finished two-three behind Kitsch in the B modified first heat.

HEAD APPOINTMENT

Doug Holmes, manager of the Big White Ski Shop, has been appointed to head Canada's Retail Advisory Council. The council is composed of seven Head Ski Retailers from across Canada.

LIFT RECORD

COLUMBUS, Ohio (Reuters) — A world-record three-lift total of 754.4 pounds was set up by flyweight Sandor Holczreiter, 24, of Hungary when he won the opening class of the world weightlifting championships here Saturday night.

one in the modified stock second heat, followed by Gerald Humphries and Georgeson, while Kitsch led the way through the B modified second heat for Morris and MacNaughton.

Rookie Don Wutzke won the modified stock third heat, followed by Earl Stein and rookie Ron Hawrie of Vernon. Kitsch was followed by Smirl in the B modified third heat, with Falkland's Joe Harvey third, in a car that has given him nothing but grief all year.

The B main was a continuation of the Kitsch story, with Kelowna's Ab Funk second and Harvey third.

Stein, with his new car finally running right, pulled an easy first in the modified stock main, with brother Bob second and Wutzke third.

The B feature was the record-breaker for Kitsch, who built such a big lead he drove the final 10 of 35 laps in high gear. Doug MacNaughton was second and Pete Smirl third, after a fine race-long dice for the runner-up spots.

TOURING THE FITS

Two visiting B modifieds arrived at the track unannounced, to build the field to its biggest of the year. Ron Morris, a Langley veteran out of Surrey, put on a strong showing in his second visit of the year, before clutch trouble put him out. The second visitor was Nanaimo's Cam Svendsen, who never was able to sort out a sick-running car.

Pete Smirl, past president of the Okanagan Track Racing Association, has banquet tickets for Kelowna members of the OTRA and sponsors. The banquet is Oct. 17 at the Vernon Recreation Centre.

Racing concludes this weekend, with time trials at 1 p.m. Sunday. Racing begins at 1:30 p.m., and in addition to the regular events there will be at least three features: a powder puff, the annual newsmen's race and a mechanics' event.

'Bellies Win Rowdy Series

COQUITLAM, B.C. (CP) — New Westminster Salmonbellies captured the Western Lacrosse Association championship Saturday night, downing Coquitlam Adanacs 5-5 to take the best-of-seven series 4-2.

The game ended in rowdy fashion and was terminated with 1:28 remaining in regulation time. A fight involving all players on both teams broke out just after Wayne Goss of New Westminster scored the ninth goal for the Salmonbellies and had some kind words for Adanac goalie Marv Schweitzer.

Schweitzer picked up 40 minutes in penalties for his part in the free-for-all as he and Goss chased each other around the arena even after officials pulled them apart.

The Coquitlam goaltender was given a misconduct and game misconduct while Goss received a misconduct along with teammate Ken Winzowski and Keith Scott of Coquitlam.

Turcotte Wins Woodhouse Stars

NEW YORK (CP) — Ron Turcotte of Grand Falls, N.B., won the rich Beldame Stakes, named after a famous horse owned by the late August Belmont, but the son of Canadian-born veteran jockey Hedy Woodhouse was the riding star with five runners Saturday at Belmont race track.

Bobby Woodhouse, 21-year-old apprentice jockey who will lose his weight allowance or "bug" next month, won four of the first five races and came in second in the sixth race. He then won the eighth race decisively. Turcotte guided Mrs. Whitney Stone's Shuvee to victory in the \$83,750 Beldame, winning a purse of \$54,437 for the owner and about \$5,500 for himself. Shuvee, four-year-old daughter of Nashua, was a strong favorite and paid \$4.60 to win by a length over Obeah of Christiana Stable in 1:48 for the 1 1/2-mile race for fillies and mares. Woodhouse, among the leading riders at Belmont with 12 winners, included the \$42 daily double among his winners Saturday. They were Markswoman \$10, Bernaise \$10.60, Teepee Rings \$23, Revitup \$13.60 and Santo Domingo \$10.60.

Norway, Canada Winners Absent Fans The Losers

WINNIPEG (CP) — Both countries went home winners and the losers were the fans who didn't show up for the Canada-Norway track and field competition Saturday and Sunday.

The Norwegian men, with a one-two finish in the discus, the final event of the two-day meet, edged the Canadian men in points 107-103, but the host girls gave Canada the women's title 86-49.

Cool temperatures and light, steady rain Saturday kept the crowd to less than 50 but there were still under 100 fans out Sunday, despite improved weather.

The Canadian men had led almost from the start, held a 54-50 margin after Saturday's events and were ahead by one point with the discus event remaining.

Tormod Liselerud and Harald Lorentzen finished one-two in the event, giving Norway eight points to Canada's three. Liselerud won with a throw of 176 feet, four inches.

TRAVEL TO EDMONTON

The Canadian teams travel to Edmonton to meet Sweden in the second of a series of meets Tuesday and Wednesday. The three countries clash in Victoria in the final competition Oct. 19-20.

Norwegian girls won only three gold medals, two by Wenche Sorum. Miss Sorum beat Abigail Hoffman of Toronto in the 800 metres Saturday, winning in 2:09.6, and came back to capture the 1,500 metres Sunday in 4:28.8.

Kari Karlson won the other gold medal, upsetting heavily favored Debbie Brill of Haney, B.C., in the high jump. Both girls cleared the bar at five feet, eight inches, but the Norwegian girl was given first place when she needed one less attempt than Miss Brill.

Odd Bratland nipped Mike McCann of Toronto to win the 800 metres in 1:52.0 and Olva Graskbakken held off George Smith of Lethbridge to take the 400-metre hurdles in 52.3 seconds.

The Canadian girls took a commanding 41-21 points lead Saturday, winning all but one event. Miss Loverock won her first of two gold medals in the 100 metres, winning in 11.5 seconds. Elizabeth Damman of Kitchener, Ont., took the 110-metre hurdles in 14.2 seconds, Carol Martin of Thornhill, Ont., was the discus winner at 138 feet, 11 inches. Yvonne Saunders of St. Lambert, Que., easily took the long jump at 19 feet, 11 1/2 inches and the 4 x 400 relay team won in 3:50.2.

Canada's gold medals were won Saturday by Jerome Drayton of Toronto in the 100 metres in a time of 30:08.6, Bill Heikkila of Toronto in the javelin at 237 feet, Dave Steen of Toronto in the shot at 59 feet, one inch, Powell in the 400 metres in 49.0 seconds and by Francis in the 100 metres in 10.2 seconds.

Edmonton won the 400 metres in 5.65 seconds, Valerie Peterson of Gimli, Man., captured the javelin with a throw of 148 feet, four inches and the 4 x 100 relay team won in 4 seconds.

CANADIAN FOOTBALL

Bombers Score Only 2 But Lose To The 'Toe'

By THE CANADIAN PRESS

Winnipeg Blue Bombers scored the only two touchdowns in two Western Football Conference games during the weekend, but the Bombers came out losers.

Winnipeg, riddled with injuries, lost 16-13 to British Columbia Lions at Vancouver Sunday in a game neither side seemed ready to win. The defeat left Bombers—one of them a strange third-quarter gift from Bomber coach Jim Spavital.

In the other contest, fourth-place Edmonton Eskimos upset conference-leading Saskatchewan Roughriders 10-6 at Edmonton Saturday.

B.C. moved into a second-place tie with Calgary Stampeders with their victory, penetrating within the Winnipeg 20-yard line only once—and that time they had to settle for a single when Ted Gerela's field goal try went wide.

Gerela kicked three field goals and three singles for 12 points, extending his lead in the individual WFC scoring to 15 points over Saskatchewan's Jack Abendschan. Lions' other points came on a pair of safety touches—one of them a strange third-quarter gift from Bomber coach Jim Spavital.

Spavital ordered punter Ed Ulmer to concede two points—which gave Lions a 9-7 lead at the time—when Winnipeg had third down at its own six-yard line. The move was aimed at getting possession at the 25-yard line, but a roughing penalty against Bombers on the safety play gave them the ball at their 12 1/2 and they had to punt three plays later.

Winnipeg led 13-10 midway through the fourth quarter, after a touchdown by quarterback Ron Johnson, his six-yard scoring pass to end Lou Andrus and a convert by Tom Deacon.

But Vic Washington, the former Ottawa Rough Rider, thrilled the Empire Stadium crowd of 36,250 by running back a Winnipeg kickoff 58 yards to give Lions possession at the Bombers' 35-yard line. Gerela kicked the tying field goal three plays later from 38 yards out.

He added a single on a wide 35-yard attempt with less than two minutes left and Johnson was trapped for a safety on the game's third-last play to finish the scoring.

Washington, who had announced intentions of sitting out the option year of his Canadian Football League contract after being suspended by Ottawa, arrived in Vancouver a few days ago. Sunday's was his first game since undergoing off-season knee surgery. He caught four passes for 48 yards.

HAD BAD ANKLE
Brothers completed 12 of 23 pass attempts for 135 yards and had two interceptions. Wally Gahler, who started at quarterback for Winnipeg despite a bad ankle, completed three of eight and had two interceptions. Johnson—who played the entire second half—was good on six of 10 passes and had two interceptions. Bombers had a total of 103 yards through the air.

At Edmonton, before 19,334, Dave Cutler kicked three field goals of 39, 40 and 41 yards, and a single, to account for all of the Eskimos' points. Abendschan kicked field goals of 38 and 18 yards for Saskatchewan.

But the glory belonged to the Eskimo defence which stopped the powerful Riders at the Edmonton 12-yard line in the dying minutes to preserve the victory. Saskatchewan quarterback Ron Lancaster, whose long passes to Nolan Bailey and George Reed had moved the ball 73 yards to set up the crucial sequence, tried three passes in an attempt to score. They were tipped away by Edmonton defenders Dick Supulis, Doug Dersch and Jim Henshall.

The Riders managed only 67 yards rushing, Reed making 50 of them on 15 carries. Lancaster completed only nine of 30 passes.

ing within the Winnipeg 20-yard line only once—and that time they had to settle for a single when Ted Gerela's field goal try went wide.

Gerela kicked three field goals and three singles for 12 points, extending his lead in the individual WFC scoring to 15 points over Saskatchewan's Jack Abendschan. Lions' other points came on a pair of safety touches—one of them a strange third-quarter gift from Bomber coach Jim Spavital.

Spavital ordered punter Ed Ulmer to concede two points—which gave Lions a 9-7 lead at the time—when Winnipeg had third down at its own six-yard line. The move was aimed at getting possession at the 25-yard line, but a roughing penalty against Bombers on the safety play gave them the ball at their 12 1/2 and they had to punt three plays later.

Winnipeg led 13-10 midway through the fourth quarter, after a touchdown by quarterback Ron Johnson, his six-yard scoring pass to end Lou Andrus and a convert by Tom Deacon.

But Vic Washington, the former Ottawa Rough Rider, thrilled the Empire Stadium crowd of 36,250 by running back a Winnipeg kickoff 58 yards to give Lions possession at the Bombers' 35-yard line. Gerela kicked the tying field goal three plays later from 38 yards out.

He added a single on a wide 35-yard attempt with less than two minutes left and Johnson was trapped for a safety on the game's third-last play to finish the scoring.

Washington, who had announced intentions of sitting out the option year of his Canadian Football League contract after being suspended by Ottawa, arrived in Vancouver a few days ago. Sunday's was his first game since undergoing off-season knee surgery. He caught four passes for 48 yards.

Nicklaus Continues Rich Life With \$50,000 Victory At Akron

AKRON, Ohio (AP) — The big guy sat there and looked embarrassed, a sheepish grin crossing his face when someone informed him he had averaged almost \$20,000 a round for his six appearances in the World Series of Golf.

"Is that so?" replied Jack Nicklaus, who then shrugged. Nicklaus appeared on the verge of collapse in the final nine over the 7,180-yard Firestone Country Club course Sunday in the final round of the World Series.

In those nine holes he had missed three fairways and five greens, was in four traps and missed five putts under nine feet.

And Dave Stockton, the 28-year-old PGA champion, had pulled into a tie with him in the chase for the \$50,000 first prize in this event that brings to-

gether the holders of the world's four major championships—the Masters, PGA, U.S. and British Opens.

RECOVERS ON 13th
But Nicklaus recovered with three consecutive clutch putts starting on the 13th.

He also birdied the 17th and finished with a par 70 for 136 and a three-stroke margin over Stockton and Masters champion Billy Casper, tied for second at 139. Each won \$11,250.

"Tony Jacklin, the young Englishman who holds the U.S. Open crown, also had a 70 for 141 and picked up \$5,000."

The victory pushed Nicklaus' winnings for the year to almost \$200,000, but the \$50,000 does not count on the money list since it is considered an exhibition by the PGA. Nicklaus now has won more than \$224,000 in six World Series appearances.
